STAFF RECOMMENDATION: Approve the requested actions.

EXECUTIVE SUMMARY: An effort to expand the Adams Avenue Business Improvement District (AABID) to include the Kensington-Talmadge commercial area has been ongoing for a number of months under the auspices of the Kensington-Talmadge Business Association. The purpose of the expansion is to build on the synergy between the commercial areas along Adams Avenue and to leverage the available resources to better benefit the businesses in the area. This expansion also has the support of the Adams Avenue Business Association which manages the AABID, an area encompassing Adams Avenue from the 2400 block to I-15 and the adjoining side streets for one block north and south of Adams Avenue. The expansion would add the area along Adams Avenue between I-15 and 4248 Adams Avenue, and the adjoining side streets in the 4600 and 4700 blocks of Biona Drive, Edgeware Road, Kensington Drive, Marlborough Drive, Terrace Drive, Vista Street, and 42nd Street, and the 4100 block of Park Place.

A Business Improvement District (BID), as authorized by California law, is a government-designated assessment area formed with the support of businesses to improve their business conditions. Assessment means a levy for the purpose of acquiring, constructing, installing, or maintaining improvements and promoting activities which will benefit the businesses located and operating within a parking and business improvement area. All BID assessments are returned to the district for improvement programs operated by the business membership. BID programs can include promotional advertising and marketing programs, special events, technical

assistance programs and others as designated by the needs of the district's businesses. San Diego currently has 19 designated districts located from La Jolla to San Ysidro, and Ocean Beach to the College Area.

The City Council has adopted Council Policy 900-07 on Business Improvement Districts to clarify the process by which BIDs may be established or expanded. The policy states that a proposed expansion of BID boundaries should be supported by 20% of eligible businesses within the expansion area as demonstrated by a petition. In January 2007, City staff received a number of petitions in support of expanding the AABID and verified that the 20% threshold had been met. In accordance with Council Policy 900-07, City staff then conducted a mailed ballot procedure to determine the level of support among the affected businesses in the expansion area.

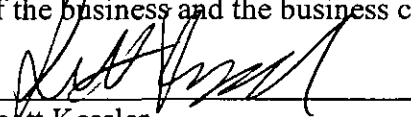

Council Policy 900-07 also provides that City Council may proceed with a public hearing process to amend the BID ordinance and increase the assessment where: "an assessed value and numerical majority of those responding support the increase in the levels of assessment". A majority of the responding businesses, when counted numerically (74.5%) and when weighed by the amount of the proposed assessment (80.4%), supported the expansion of the AABID and the levying of an annual assessment. Given the support of the affected businesses, staff is bringing the expansion to City Council for approval as required by the Parking and Business Improvement Area Law of 1989. Since this expansion of the AABID would allow the City to levy an annual assessment on the newly included businesses, a multi-step hearing and noticing process is required by the 1989 Law and the Ralph M. Brown Act and is outlined above.

FISCAL CONSIDERATIONS: Approximately \$6,500 of additional annual assessments will be collected from the businesses of the expanded area. It is anticipated that assessments would be levied and collected starting in FY2009 once approved by Council as part of the BID Annual Appropriation Process.

PREVIOUS COUNCIL and/or COMMITTEE ACTION: The AABID was established by Ordinance No.O-16479, adopted on July 29, 1985. It was amended by Ordinance No.O-18087 on July 11, 1994, to create a third zone and increase the assessments in certain central areas of the AABID to support landscape maintenance activities.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS: The Kensington Talmadge Business Association held community meetings on the proposed expansion and then coordinated a petition drive to have the commercial core included in the Adams Avenue BID. All businesses proposed to be assessed also received a ballot and information concerning the proposed expansion.

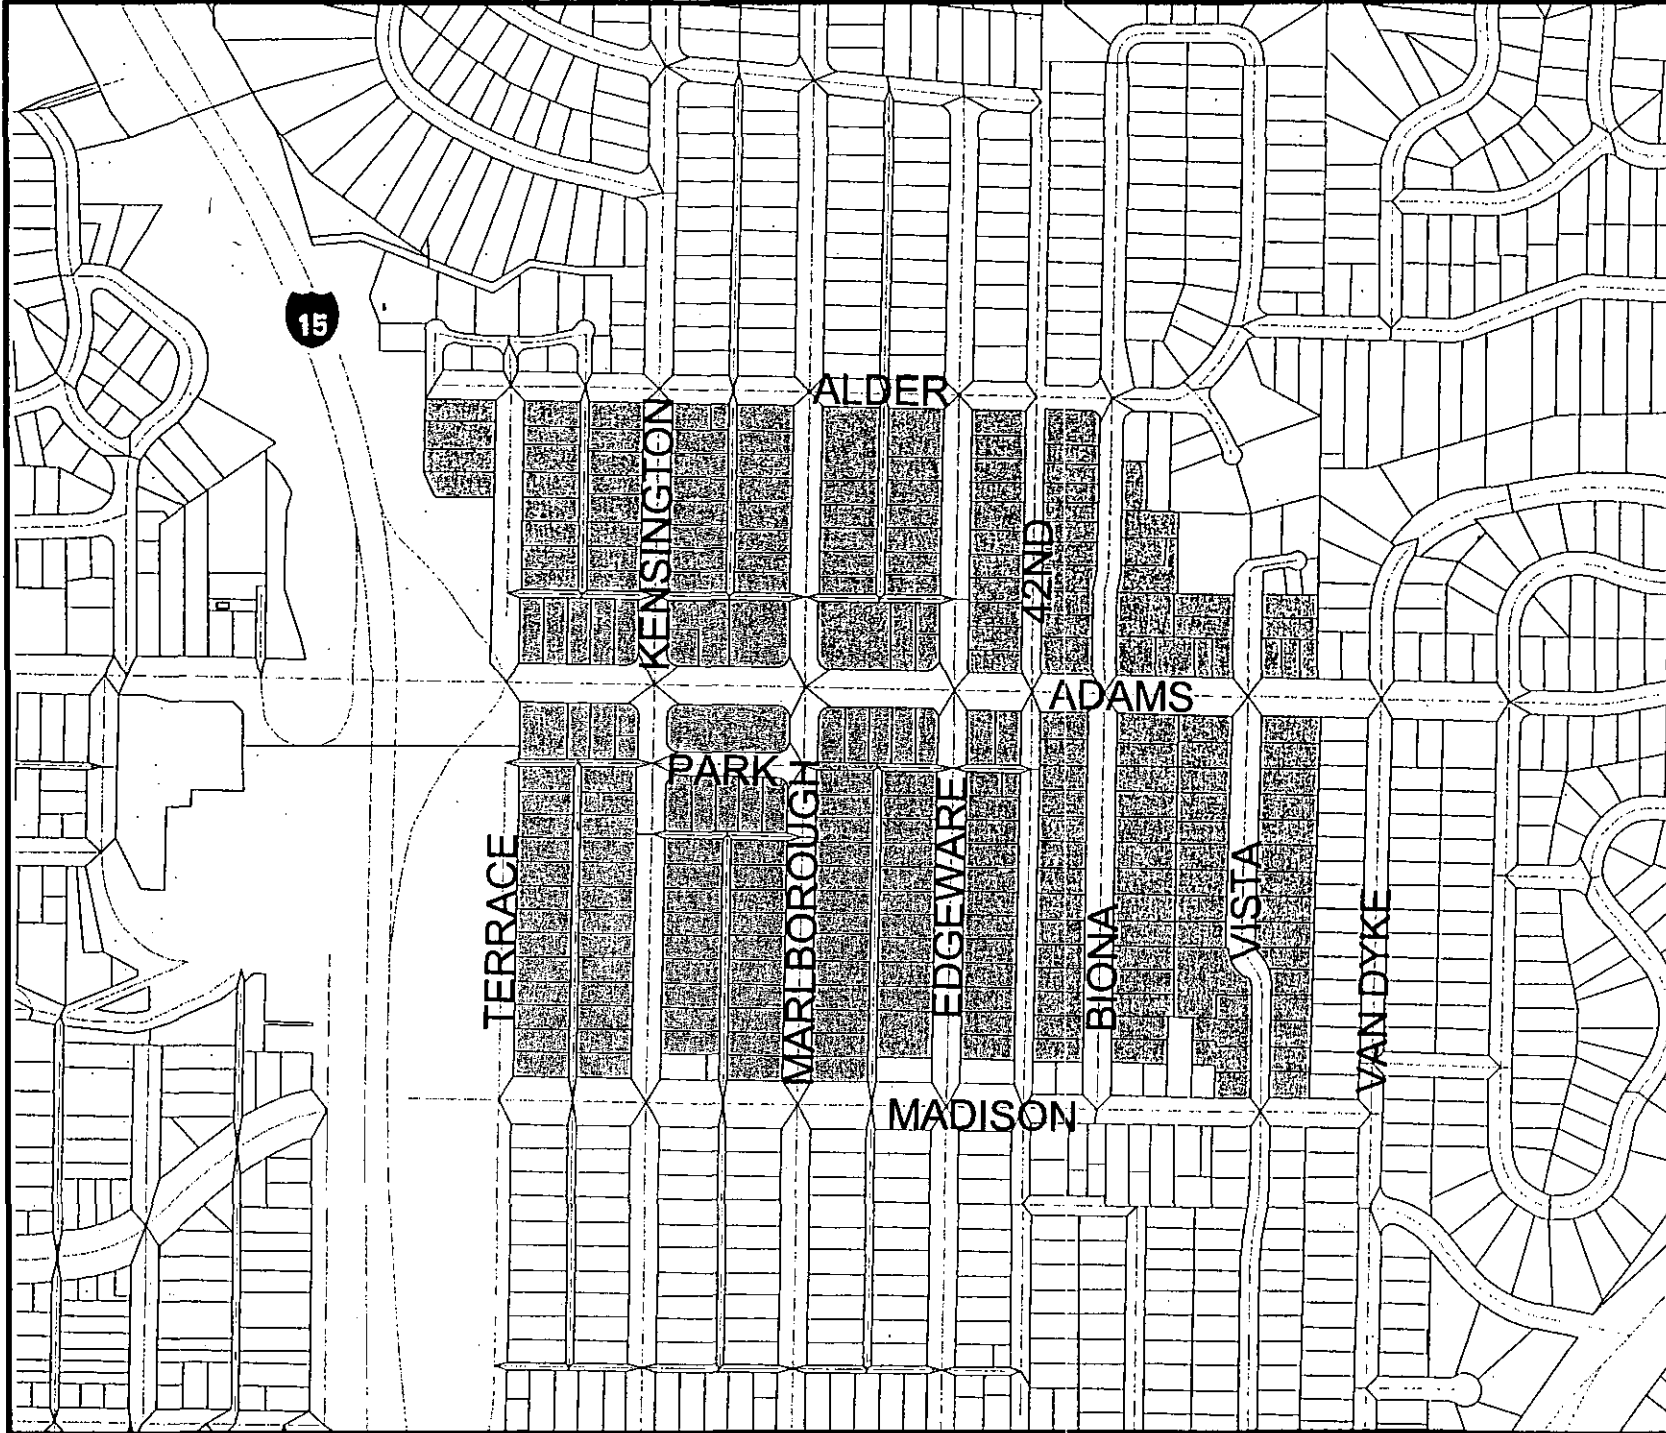

KEY STAKEHOLDERS & PROJECTED IMPACTS (if applicable): Businesses within the BID and the Kensington Talmadge area, along with their respective business organizations, are the key stakeholders of this action. The Kensington Talmadge businesses would be impacted by the levying of the annual assessment in the amount of \$40 to \$70 per year depending on the location of the business and the business category.
